

4' Espresso Carts

Catering • Satellite Vending • Tight Locations

Call 888-584-8881 toll free today!

Perfect for catering or tight locations, the 420-BC is loaded with features. A refrigerator and complete water system with hand sink are standard items, and the 110v electrical system allows you to plug-in and serve wherever there's an outlet. Despite it's small size the 420-BC offers over 21 sq. ft. of counterspace, three built in cup dispensers and a locking utility drawer. Several popular options are available like a canopy, front service wing, and ground skirt. Be sure to ask about special pricing deals on these carts with complete espresso equipment packages.

Model #420-BC

w/ optional brass kickrail and baseboard skirt kit, Brass sneeze guard, canopy and custom printing added.

Model #420-BC

□ shown w/ Astra Gourmet espresso machine and Rossi grinder
